Fund description / Investment strategy

Reichmuth Global Leaders is an actively managed equity fund that invests in shares of globally active companies in leading market positions. The selection process is based primarily on qualitative criteria, in particular the company's profitability, pricing power and the scope for action provided by its global presence and broad customer base. The fund actively invests in 40-60 stocks worldwide. The aim is to create a diversified portfolio of quality stocks with long-term value growth potential.
