Fund description / Investment strategy

Reichmuth Himalaja invests in the emerging markets with a focus on the Asian equity markets. The investment objective of the fund is to invest in attractive investment opportunities in emerging markets with selected specialists. Reichmuth Himalaja primarily holds actively managed funds from experienced investment boutiques, which should generate attractive returns over the market cycle thanks to their expertise and local presence. The portfolio is concentrated in around 10-15 funds. By diversifying across different investment styles, we aim to achieve a higher risk-adjusted return than the market.
